Smart Toy Manufacturing • Together We Grow

HUIZHOU TONGFU ZHIHUI ANIMATION CO., LTD.

ABOUT US

About Us

Founded in 2024, Tongfu Zhihui Animation Co., Ltd. is located in Huayue Industrial Park, Xinwei Town, Huizhou, just off the Xinwei Expressway exit with convenient transportation.

With over 20 years of toy design and manufacturing experience, we integrate design & R&D, prototyping, mold making, injection molding, spray painting, pad printing, assembly, sales, after-sales service, customs declaration and FOB — a comprehensive toy manufacturer.

We hold full import & export rights, and our products reach markets worldwide.

PRODUCT CATEGORIES

Three Product Lines

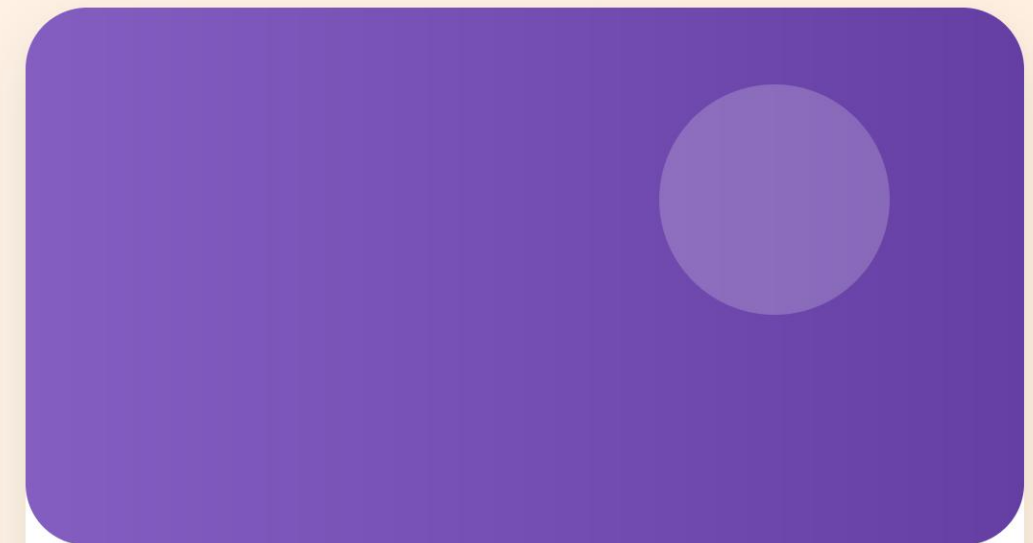

PVC Injection Figures

Precision injection molding delivers fine detailing and accurate dimensions, ideal for complex structures and richly detailed figures

Rotocast Vinyl Figures

Rotocasting process for a soft, pliable touch with a hollow structure and vivid colors, perfect for designer toys and anime merchandise

Oil-Fired Vinyl Figures

Classic oil-fired process with sturdy, durable structure, well suited to premium collectible figures
