Finding and Auditor Comment

Wages & Hours

Working Hours

Severity

Moderate

Finding Code

00626

Finding

Total overtime hours exceeds allowable limits under applicable law or agreement.

Auditor Comments

Overtime hours exceeded the legal requirement. Through document review, auditors found that the monthly overtime hours of 10 out of 10 randomly selected employees were 62-76 hours in March 2025 (Most current month), 3 out of 3 randomly selected employees were 60-82 hours in December 2024 (Randomly selected month), 3 out of 3 randomly selected employees were 60-80 hours in October 2024 (Randomly selected month).

Applicable Laws

Law Section

People's Republic of China Labor Law Article 41, The employing unit may extend working hours due to the requirements of its production or business after consultation with the trade union and laborers, but the extended working hour for a day shall generally not exceed one hour; if such extension is called for due to special reasons, the extended hours shall not exceed three hours a day under the condition that the health of laborers is guaranteed. However, the total extension in month shall not exceed 36 hours.

Facility Comments

Proposed Corrective Action

It is recommended that the facility should reduce the overtime hours to ensure it is within 36 hours per month.

Corrective Action Plan (CAP)

Finding	The facility does not provide social security, pensions, healthcare and/ or other insurance to employees as per legal requirement.
Auditor Comments	Insufficient social insurance participated. Through document review, auditor found that a total of 190 employees were currently working in the facility, which included 8 retirees, 182 employees need to participate the social insurance. As per the social insurance receipts of April 2025, 13 out of 182 employees had participated in basic endowment insurance, unemployment insurance, maternity insurance, basic medical insurance and employment injury insurance. The facility had provided employer's liability insurance to all 182 employees with valid period from May 6, 2025 to Ma 5, 2026.

Applicable Laws

Law Section	Social Insurance Law of the People's Republic of China Article 10, Employees shall participate in the basic endowment insurance, and the basic endowment insurance premiums shall be jointly paid by employers and employees. Article 23, Employees shall participate in the basic medical insurance for employees, and the basic medical insurance premiums shall be jointly paid by employers and employees in accordance with the relevant provisions of the state. Article 33, Employees shall participate in employment injury insurance, and the employment injury insurance premiums shall be paid by their employers rather than the employees. Article 44, Employees shall participate in unemployment insurance, and the unemployment insurance premiums shall be jointly paid by employers and employees in accordance with the relevant provisions of the state. Article 53, Employees shall participate in maternity insurance, and the maternity insurance premiums shall be paid by employers rather than employees in accordance with the relevant provisions of the state.
--------------------	---

Facility Comments

Proposed Corrective Action	It is recommended that the facility should ensure all employees participate in social insurance according to the Law.
